

Shepherd Life Seminar

The purpose of the Shepherd Life Seminar (SLS) is to provide an interactive small group half-day “retreat” experience for Christian pastors and ministry leaders who want a safe place to:

- 1) Discuss challenging areas of ministry, and
- 2) Determine practical “next steps” tailored to their lives and particular situations in ministry

Three important areas regarding leadership in ministry will be addressed:

- *High Calling / Dangerous Calling:* How ministry is a high calling from God, but can also be a dangerous calling at the same time.
- *Pastoring Yourself:* Maintaining healthy self-care, identity in Christ, self-worth, and preaching the gospel to yourself everyday.
- *The Pastor/Congregation Relationship:* Developing a healthy mutual and realistic serving relationship, identifying a “calling from” and a “calling to,” the pastor’s marriage and family.
